Stolen Vehicle Register

Recorded as stolen in UK: **No**

We have compared your registration number against the UK stolen vehicle register and have **not found any record of this vehicle being reported as stolen**. However, if you have any further suspicions, we recommend contacting the Gardai or Police directly.

Write-Off Data

Write-Off in UK: **Yes**
Description: **14/08/2008, Category D, UK**

We have a record of this vehicle being previously written-off. It was a **Category D** write-off, which means the vehicle has been **damaged** and the insurer has decided not to repair. The vehicle may be repaired and returned to the road. We recommend a thorough physical inspection before proceeding.

Source: BVRLA

Our database shows an **odometer discrepancy**. Motorcheck sources independent odometer readings from a number of official organisations involved in the Irish and UK motor industry. As our database shows an odometer discrepancy we recommend extreme caution. Some of the questions you should ask at this point include: Does this vehicle have a full service history stamped in its service book? Can the seller verify the odometer reading with an independent source?
